To—All Treasury Officers and all Drawers of Salary Bills.

SIR,

Payment of premia due on policies of the Official and Public Branches of the State Life Insurance Scheme and of subscriptions to the Family Pension and the State Provident Funds are made by deductions from Salary Bills but the number of policies and the account number of the State Provident Fund for which payments are made are not, however, entered in bills by many officers. In the absence of these particulars, the statements of recoveries to be prepared by this office will be incomplete and the maintenance of the Ledger Accounts of Insurance premia and Provident Fund subscriptions is rendered difficult. I have, therefore, the honor to request that the number of policies and the subscribers' Provident Fund Account numbers may invariably be noted in Salary Bills against the amounts paid by deduction. In the case of officers who hold more than one policy, it is sufficient if the number of the first policy is noted. Salary Bills not containing these particulars will be returned for supplying the omission *before payment.*

I have the honor to be,
Sir,
Your most obedient servant,

M. N. KRISHNA RAO,
Comptroller.
